RECORD ENROLLMENT
Algonac High School opened a record enrollment of 840 students; 467 students are in the six grades, while 373 are in the six grades. This year for the time students from Harsen's and Pointe Tremble 8th grades are being taught in Algo-

On December record was received from the State Department of Public Instruction that Algonac High School had been approved as a member of the Michigan Secondary School-College Agreement. Under this agreement any graduate of a high school will be admitted to college without entrance examinations—providing the standing of the student is high enough to receive a recommendation from high school officials.

Qualification for membership in the Agreement is judged by a state committee and based upon the extent to which a high school carries on constructive and efficient activities in the following areas:

a. A well organized system of follow up of former students. By so doing, the high school is able to improve by taking into consideration the experience of Algonac's record for graduates and drop outs, who have gone on to college or into some occupation.

2. An orientation program for all new students entering school each year.

c. A continuing curriculum study program, under which courses of instruction are constantly being reviewed for improvement of addition thereto.

d. A counseling and guidance service. Students in Algonac High School are fortunate in having three qualified counselors to whom they are free to go for assistance with any of their problems. The counselors are Mr. Jack Greenstein, Miss Eleanor Jablinski, and Miss Allen Stewart.

Football practice will begin on Monday August 28. Uniforms will be handed out by Coach Pippel at 9:00 A. M. Saturday August 26. Algonac opens the season on Friday September 15 with Crosswell Lex. at Crosswell. Five of the schools on this years schedule are in Class "B". Physical Examinations for all football boys will be given on Saturday August 26 at 9:00. Every boy out for football should be present for his physical at this time.

Everyone in chorus seems to be very happy because of the new music that Mr. Appelman brought. "Country Style" is the name of the piece and when it is finished and all of the bad parts are ironed out

Algonac High School celebrated its Homecoming, Friday, October 13. Festivities began at 5 p. m. with the coronation of Queen, Arlene Peterson, and continued throughout the rest of the day and far, far into the night. Miss Peterson was crowned Queen by Edward T. A St. Clair County meet decides the county championship. This year it is to be held on the new track at Algonac High School.

A point system is devised whereby every high school boy has a fair chance to earn his letter in track.
